Is there any further information the Forest School Leader needs to know ?		
Doctors Name, Telephone Number, Address		
<p>As the parent/guardian of the names child I agree to them taking part in the activities and I know of no medical or other reason why they should not participate. I will ensure the leader has any medication at the start of the session. I consent to any emergency treatment necessary during the sessions. I therefore authorise "The Red Forest School" staff to sign on my behalf any written form of consent required by the hospital authorities on the understanding that every effort will be made by the session leader to contact myself. I will accept that my child will probably get muddy and ensure my child and any accompanying adults are dressed appropriately. That they have warm activity clothes, to include trousers, a long sleeved top and sturdy shoes. Also bring waterproofs, hat and gloves and a change of clothes, wellies if wet. If hot then sun protection cream should be brought.</p> <p>I understand that the activities are well managed and risk assessed, but still carry a risk of danger. No open toe shoes/sandals or crocs. No pretty dresses or party costumes. If bringing siblings and they participate they will be included in numbers and charged.</p>
